HORSESHOE Falls

Horseshoe Falls' unique natural tranquil setting is the perfect spot to experience nature at its best. The grounds are well maintained enabling visitors to see a wide variety of trees & plants that grow naturally within the falls vicinity. Located in Munising, Michigan, this natural spring fed waterfall muses a blissful relaxed moment.

Trout Pond

Water from the falls cascades into an area forming a pond, home to 200 large rainbow trout. Visitors can partake in a scavenger hunt, or feed the trout if they choose for a small fee. Ducks and other critters enjoy the food too!
